

The Fact Remains

No amount of misrepresentation by the peddlers of alum baking powders, no juggling with chemicals, or pretended analysis, or cooked-up certificates, or falsehoods of any kind, can change the fact that

Royal Baking Powder has been found by the official examinations to be of the highest leavening efficiency, free from alum, and of absolute purity and wholesomeness.

Royal Baking Powder is indispensable for making finest and most economical food.

Prof. M. H. Barnes, of Russell Springs, was in Jamestown the 15th.

I don't know that I have a say in a Democratic primary, if I did I would say nominate Rollin Hurt for Judge of the Court of Appeals, and not only nominate him, but elect him to that office. I am for Hurt for he is worthy, and qualified for the place. I am a Republican, but I honestly want Hurt to be elected, and will vote for him in November if he is nominated. I believe every man in Adair and adjoining counties, are from the heart for Hurt.

Kentucky Adair County Set. I, Walker Bryant, Clerk of the Adair County Court, certify that the foregoing is a complete list of all claims allowed at the Regular April Term 1914.

Witness my hand this May 2, 1914. Walker Bryant, Clerk. By L. O. Taylor, D. C.
